USE OF FORCE
EVALUATION

UNIT: **North County Correctional Facility**
DATE: June 04, 2004, Friday
TIME: 1805 hours
LOCATION: POD 720, Dorm 724
URN#: 004-00683-5640-058
IAB#: FO2121424

NATURE OF
INCIDENT: On June 4, 2004, at about 1805 hours, Inmate Johnny Oliva, Booking# 7970 080, was returning from "Pill Call". As Inmate Oliva passed by Dorm 723, he began yelling gang epithets and throwing gang signs at the inmates inside of the dorm. Deputy Alfredo Flores, assigned to the 720 POD Staff Station, directed Inmate Oliva to turn, face the wall and place his hands behind his back. Inmate Oliva complied and deputy Flores approached to search Oliva. Inmate Oliva suddenly, turned and struck Deputy Flores in his left eye with a closed fist. Both Deputy Flores and Inmate Oliva fell to the ground and continued to fight. Approximately twenty to thirty inmates inside of Dorm 724 began to yell in support of the inmate and attempted to incite the inmates to assist and fight the deputies. Several deputies responded to assist Deputy Flores in controlling Inmate Oliva.

Inmates inside of Dorm 724 began to yell and throw objects at the deputies from inside. Deputy personnel ordered the inmates to stop rioting and lie on their bunks. The inmates refused and several of them began to prop their mattresses up against their bunks as barricades. Lieutenant Robert Jonsen ordered the deployment of two Emergency Response Teams and specialized weapons in the 700 building.

The watch commander directed the use of the SA200 Pepper ball launcher onto the dorm's interior walls. The pepper balls had little effect and the use of direct contact against any inmate who did not lie of his bunk was authorized. The use of the pepper ball launcher did not quell the riot and the watch commander authorized the deployment of one stinger grenade into the dorm. The sting ball grenade had minimal effect in gaining control of the dorm. The use of "Clear Out" gas canisters were authorized by the watch commander and eight canisters were deployed into the dorm. The effect of the "Clear Out" chemical agent was immediate and all inmates complied by lying on their bunks.

SUSPECT STATEMENTS:
Inmate Johnny Oliva was contacted on June 22, 2004, at Men's Central Jail, to obtain a statement from him on what occurred at N.C.C.F. Inmate Oliva refused to make a statement but, did sign a medical records release form to obtain his medical file.

On July 30, 2004, I interviewed Inmate Oliva concerning an incident that occurred on July 23, 2004, at Men's central Jail. Inmate Oliva agreed to speak with me, in the presence of his attorney, about that incident and the use of force incident occurring on June 4, 2004. Inmate Oliva was interviewed in the Attorney Room of Men's Central Jail and the interview was recorded for transcription.

In summary, Inmate Oliva said he was returning from Pill Call at N.C.C.F. and had lined up in front of Dorm 724, on a red line, as directed. Deputy Flores was working the Pod Staff Station and Inmate Oliva waited to be directed back into his dorm. Inmate Oliva said he saw a mouse

12

run across the floor and started to tell the inmates inside of Dorm 724 about the mouse. Deputy Flores grabbed Oliva without warning, placed his left arm behind his back, and grabbed onto Oliva's shirt collar. Deputy Flores forced Oliva across the pod and ran his head into a wall. Deputy Flores asked Oliva why he had disrespected him and led him to the end of the corridor(700 Ramp). Flores sat Oliva down on the floor and left him there for several minutes. Oliva said Deputy Flores returned and by now, Oliva was thinking clearer and demanded to know why Deputy Flores "ran" him into the wall. Deputy Flores told Oliva to be quiet and Oliva said he ran from Flores believing he was going to be struck again without provocation. Deputy Flores chased after Oliva and grabbed onto his jail shirt. Inmate Oliva admitted he turned a struck Deputy Flores as he came toward him. Inmate Oliva said he ran out of the corridor and Deputy Flores caught up with him. Oliva and Deputy Flores were fighting and Deputy Galvez assisted Flores. Oliva said all three were wrestling around on the ground in front of Dorm 724, when several deputies arrived. Oliva said he remembered Deputy Galvez trying to put him in handcuffs and Oliva said he twisted to get loose. Oliva said he was struck in the face numerous times and he covered up to protect himself. Oliva said he was kicked several times and he said he felt pain in his legs and realized he was being struck with a flashlight. The struggle continued for a short while and the deputies placed him in handcuffs. Oliva said someone tried to "hog tie" him around his legs and he told the deputies his legs were hurt. The deputies removed the leg restraint and he was told to get up and walk.

Inmate Oliva told the deputies he could not walk and they picked him up and escorted him down the ramp. Oliva said he fell and deputies struck him again. Oliva did not know which deputy struck him on the ramp. Oliva said an unknown nurse came up to him on the ramp and the deputies turned her away preventing medical care for Oliva's injuries. Oliva said he was escorted down the ramp into a holding cell, where paramedics treated him, and transported him to the hospital.

Inmate Oliva said he was struck with fists in the head, kicked in the body and hit with a flashlight on his legs. He said the only deputy he saw use force was Deputy Flores during the fight. Oliva could not say who hit him or with what.

IAB Note: The interview with Inmate Oliva was transcribed for review. The transcribed interview covered two separate incidents. For this incident refer to the interview, Exhibit M, pages 1 through 10, line 42.

SUSPECT INJURIES:
Oliva was transported to Henry Mayo Newhall Hospital in Valencia, California by paramedic personnel. He was examined in the emergency room by Dr. David A. Henry and Dr. Henry found that Suspect Oliva sustained blunt trauma to the head, neck, right shoulder, ribs, and both legs. Suspect Oliva told Dr. Henry he did not loose consciousness. X-rays were taken of Suspect Oliva, and a laceration above the right eyebrow was sutured. Suspect Oliva was thoroughly examined by Dr. Henry, who made a diagnostic impression of a fracture to the left tibia, trauma to the left periorbital area, and an abrasion to the right ankle. Results of a C.T. scan revealed no fracture or dislocation to the right shoulder, no fractures to the face, only soft tissue trauma, no fractures to the ribs, and a fracture to the left fibula. Dr. Henry admitted Inmate Oliva into Henry Mayo Newhall Hospital until bed space was available at the 13th Floor of L.C.M.C. Dr. Henry also requested an Orthopedic Consultation with Dr. Donald A. Wiss on the fracture to Oliva's left fibula. Doctor Donald A. Wiss , orthopedic specialist, examined Oliva and observed on his left leg "a tiny, superficial, 1 cm laceration" with minimal deformity, on the back of the leg and a 7 or 8mm puncture wound on the right lower leg.

Inmate Oliva was transferred to the 13th Floor and eventually housed on the 700 Floor of Men's Central Jail.

INVOLVED PERSONNEL STATEMENTS:

FLORES, Alfredo,- Deputy Sheriff, [redacted]
Deputy Flores said on June 4, 2004, he was assigned as a prowler in the 700 Building. He was at Staff Station 720 relieving deputies who were on their meal break. He sent several inmates on passes to pill call and released Inmate Oliva on one of the pill call passes. When the inmates returned from pill call, Deputy Flores placed them back into their assigned dormitories after they each lined up on a red line in front of their respective dorms. Deputy Flores placed all of the inmates in their dorms in order from 721 to 724. Inmate Oliva was the only inmate left out and standing on the red line in front of Dorm 724. Deputy Flores watched from the staff station as Inmate Oliva started to make hand gestures indicating gang membership to the inmates in 723 and 724. At one point, Inmate Oliva lifted his jail shirt to display gang tattoos to the other inmates. Deputy Flores ordered Inmate Oliva to stop the behavior and to walk over away from the dorm entrance to the adjoining solid wall, placing his hands behind his back in preparation to search him for contraband prior to placing him back into the dorm. As Deputy Flores walked up to Inmate Oliva and was about to grab onto his fingers to search him, Oliva spun around and struck Deputy Flores in the face. The blow knocked Deputy Flores back momentarily and Oliva struck Flores again approximately ten to fifteen times in the face and head. Flores said Inmate Oliva yelled, "Fuck you pig!, this is Pomona Sharkys, and I'm going to kill you!" Deputy Flores in return struck Oliva numerous times with his fists. They both grabbed onto each other and Flores was able to force Oliva to the floor. Deputy Flores ended on top of Inmate Oliva and Oliva continued to punch and kick Flores. Deputy Flores yelled to Inmate Oliva to stop fighting and to give up. Deputy Flores said there was only one other deputy in the Pod at that time and Deputy [redacted] came over to assist him. Flores heard Deputy [redacted] radio of a fight involving a deputy and tried to help in subduing and controlling Inmate Oliva's assault. By now, Deputy Flores was bleeding from his injured eye and his vision became blurry. He saw several deputies arrive to assist and another deputy escorted Flores away from the fight and down to the infirmary. Flores did not see what occurred after he left. Deputy Flores reported he struck Inmate Flores between ten and fifteen times with his fists.

IAB Note: Deputy Flores prepared a supplemental report documenting his actions and observations, under file # 004-00683-5640-058, refer to Exhibit A. A copy of the transcribed interview with Flores is included in the package.

[redacted] Deputy Sheriff, [redacted]
Deputy [redacted] said he was assigned to Staff Station 725 when he heard scuffling sounds coming from the opposite side of the pod at Staff Station 720. Deputy [redacted] looked and saw Deputy Flores fighting, on the ground, in front of Dorm 724, with Inmate Johnny Oliva. Deputy [redacted] said he ordered the inmate workers inside of the day room for 725 and placed a deputy involved in a fight call over his radio.

Deputy [redacted] ran over to assist Deputy Flores and saw that Suspect Oliva was on the ground

15

kicking at Deputy Flores. He saw Suspect Oliva turn on his side and believed Oliva was attempting to stand up. Deputy [redacted] said he believed Suspect Oliva was larger and stronger than either Deputy Flores or himself and did not want Oliva to gain an advantage by standing on his feet [redacted] said he heard Deputy Flores order Inmate Oliva to stop resisting. Deputy [redacted] reported he placed his knee on Oliva's upper back and pushed, in an attempt to force Oliva down on the floor. This did not have any effect and [redacted] ordered Oliva to stop fighting while grabbing onto his right arm to prevent Oliva from additionally striking Deputy Flores. Deputy [redacted] attempted to force Oliva's right arm behind his back to place handcuffs on and continued to maintain pressure on Oliva's back with his knee. Inmate Oliva continued to thrash his body in an attempt to turn on his side and [redacted] believed Oliva was attempting to stand up.

[redacted] heard Deputy Flores again order Oliva to stop fighting and he attempted to maintain control of Oliva's upper body while he saw Deputy Flores at Oliva's lower body and legs. Inmate Oliva was able to free his right arm from [redacted] hold and [redacted] considered using his oleoresin Capsicum spray against the assaultive inmate. As [redacted] reached for his "pepper spray" Deputy Flores was able to move over Oliva's upper body, knelt over, and began punching Oliva in the head three or four times with both fists. Deputy [redacted] said he was not able to use his pepper spray because the close proximity of Deputy Flores to the inmate and he felt that if he sprayed it would also strike Deputy Flores and he would become incapacitated.

Deputy [redacted] attempted to force Inmate Oliva back down to the floor, using the weight of his body, because Oliva had managed to turn onto his side with both hands under his body. Deputy [redacted] grabbed onto a wrist an tried to force the hand out from under Oliva's body while ordering Oliva to give him his hand.

During the fight with Inmate Oliva , the inmates in Dorm 724 became very agitated and were yelling obscenities at the deputies. The inmates were cheering Inmate Oliva on and had lined the entire front of the cell.

Deputy [redacted] said both he and Deputy Flores were attempting to gain control of Inmate Oliva and Deputy [redacted] said he heard the sounds of footsteps coming from the ramp toward the 720 Staff Station. Deputy [redacted] said he continued to use his body weight on Oliva and heard several different voices yell at Oliva to stop fighting. He said Oliva continued to thrash his body violently trying to turn over. Maintaining his body on top of Oliva, [redacted] heard sounds of other deputies striking Inmate Oliva in the lower body with fists and flashlights [redacted] said he heard other deputies continue to order Inmate Oliva to stop fighting.

The inmates in Dorm 724 became more aggressive and continued to yell at the deputies while throwing full bottles of water, fruit, bags of soup and other objects. Several deputies ordered the inmates to get back and on their bunk beds. The inmate refused and continued their riotous behavior. Soon all of the inmates in the 720 Pod were at their bars and yelling.

Deputy [redacted] continued to lay on top of Inmate Oliva and heard him say that he was done and would not resist any longer. Deputy [redacted] ordered Inmate Oliva to stand up so that he and the deputies could move out of harm's way from the riotous inmates in Cell 724. Inmate Oliva told [redacted] he could not walk and several deputies carried Oliva away toward the 720 ramp. Deputy [redacted] remained at the 720 Dorm and along with several deputies tried to restore order to the dorm. They were unable to do so and the emergency response team was activated to quell the disturbance.

> **IAB Note: Deputy [redacted] prepared an incident report related to his observations and actions, under the file # 004-00683-5640-058. For details refer to Exhibit B.**

EMBLETON, John, Deputy Sheriff, #[redacted]

Deputy Embleton prepared a supplemental report documenting his actions and observations. Deputy Embletom wrote he was with Deputy Galvez returning from the Officer's Dining Room when he heard the radio broadcast of a deputy involved in a fight at the 720 Staff Station. He responded along with Deputy Galvez and when he arrived, Embleton saw Inmate Oliva fighting with Deputy Flores. Embleton saw that Deputy Flores was bleeding from his left eye and was out of breath. He saw Inmate Oliva lying on the floor, on his left side, punching Deputy Flores. Embleton saw that Oliva was kicking at another deputy [redacted] with his feet. Deputy Embleton wrote he believed the inmate was going to further hurt either deputy and struck Inmate Oliva twice in the back of the right ankle with his flashlight while ordering the inmate to stop fighting and place his hands behind his back. Embleton wrote Inmate Oliva ignored the commands and used his legs as leverage in an attempt to turn over onto his back and face toward the deputies. Deputy Embleton reported he struck Inmate Oliva approximately seven times in both ankles, with his flashlight to prevent him from turning onto his back and to overcome his resistance. Inmate Oliva continued to twist and swing his arms at Deputy Flores.

Deputy Embleton reported while trying to subdue Inmate Oliva the inmates in Dorm 724 were throwing bottles of water and yelling at the deputies. Deputy Embleton became fearful the inmates were going to injure them and directed Deputy Galvez to assist him in removing Inmate Oliva from in front of Dorm 724. Deputies Galvez and Embleton grabbed onto Oliva and drug him over toward the 700 corridor ramp, out of harm's way from the rioting inmates. As both deputies entered the doorway to the corridor, Deputy Embleton released his hold on Inmate Oliva to allow Deputy Galvez to pull Oliva inside of the corridor. When Deputy Galvez pulled Oliva inside, Oliva was able to kick his legs and tripped Deputy Galvez backwards. Deputy Embleton grabbed onto Oliva's right arm to place him in handcuffs and Oliva pulled the arm away. Deputy Embleton punched Oliva two or three times in Oliva's right rib cage to stop his resistance. Deputy Embleton was able to place handcuffs on Oliva's right wrist and attached the other handcuff to Oliva's left wrist.

Deputy Embleton said when Oliva was in handcuffs, he looked up and saw Deputy Flores standing next to him. Flores was bleeding from his left eye and mouth. Flores appeared to be dazed and confused. Embleton believed Deputy Flores may have been seriously injured and immediately escorted him to the Infirmary for medical treatment.

IAB Note: Deputy Embleton prepared a supplemental report, under file # 004-00683-5640-058, regarding details of the incident, refer to Exhibit C.

WILSON, Jarred, Deputy Sheriff, #[redacted]

Deputy Wilson prepared a supplemental report documenting his actions and observations related to the use of force. Deputy Wilson said he was assigned as a Prowler in the 900 Building when he heard a radio broadcast of a deputy involved in a fight at Staff Station 720. He responded to the upper ramp of the 700 Building when he saw Deputy Flores escorted down the ramp by another deputy. He saw that Flores was bleeding from his left eye. Deputy Wilson looked up the ramp and saw four to five deputies fighting with inmate Oliva. Deputy Wilson wrote that he was fearful the deputies were unable to overcome Oliva's resistance and struck Oliva five to six times in the head and neck, with his fists, while Oliva was down on one knee. Inmate Oliva continued to fight with the deputies and Wilson attempted to grab onto Oliva's left arm with no success. Deputy Wilson reported he kneed Oliva once in the upper right torso and ordered him to lie on the ground and stop fighting. Wilson and other deputies were able to subdue Oliva and handcuff him but, he continued to kick his feet. Wilson wrote that Sergeant Darren Harris directed a deputy to secure Oliva's feet with a Hobble restraint to stop him from kicking at deputy personnel. Deputy Wilson reported Oliva was escorted away.

Deputy Wilson walked up to the 724 Dorm and observed a major inmate riot taking place. He assisted in quelling the inmate disturbance.

IAB Note: for details on the major inmate disturbance refer to Exhibit Q, Chief's Memorandum and Major Inmate Disturbance package.

IAB Note: Deputy Wilson prepared a supplemental report, under the file # 004-00683-5640-058, for details refer to Exhibit D.

GALVEZ, Gonzalo Deputy Sheriff #[redacted]

Deputy Galvez prepared a supplemental report documenting his observations and use of force. Deputy Galvez wrote that on June 4, 2004, he was returning to his work area, Inmate Processing Area, from the officer's Dinning Room when he heard a radio broadcast of a deputy involved in a fight in the upper deck of the 700 building. Deputy Galvez ran to the 720 Pod and saw Deputy Flores, on the floor, attempting to subdue Inmate Flores, who was swinging his arms and kicking his feet. He heard Deputy Flores order the inmate to stop fighting and to place his hands behind

his back to allow them to handcuff Oliva. Deputy Galvez wrote that Deputy Flores was bleeding from his left eye and appeared to be very exhausted. Deputy Galvez stated he struck Inmate Oliva two times in the face with both fists in an attempt to stop Oliva's resistance. Deputy Galvez said that Inmate Oliva rolled over onto his stomach and continued to kick his feet, swing his arms and refused to comply with orders to stop fighting.

The inmates in Dorm 724 had assembled against the bars, began yelling and throwing objects at the deputies attempting to control Inmate Oliva. Deputy Galvez said he assisted Deputy Embleton in pulling Inmate Oliva away from the bars and into the 700 Ramp area, away from the objects being thrown by the inmates. Inmate Oliva continued struggling and fighting at the ramp and Deputy Galvez attempted to control Oliva's thrashing body. Inmate Oliva's movements caused Deputy Galvez to fall to the floor injuring his right knee. Deputy Galvez recovered from the fall and Inmate Oliva had rolled over onto his stomach, placing his hands under his body, and pushed himself up off of the floor. Deputy Galvez struck Inmate Oliva three more times in the face to prevent him from standing up. The blows to Oliva's face pushed him back down on the floor and Galvez ordered Inmate Oliva to place his hands behind his back. Inmate Oliva refused to comply and Deputy Galvez was able to grab onto Oliva's left arm and force his arm and hand out from underneath his body and behind his back. Deputy Galvez assisted Deputy Embleton in placing handcuffs onto Oliva's wrists. Other deputies took charge of Inmate Oliva because Deputy Galvez had been injured during the fight. Deputy Galvez wrote he reported his use of force to Sergeant Darren Harris. As a result of his injuries, Deputy Galvez was placed off duty status for several days by the physician at Henry Mayo Newhall Hospital.

IAB Note: Deputy Galvez prepared a supplemental report under file # 004-00683-5640-058 documenting the incident. Refer to Galvez's supplemental report listed as Exhibit E.

CAMPBELL, Andrew, Deputy Sheriff, #[redacted]

Deputy Campbell prepared a supplemental report documenting his actions and use of force on Inmate Oliva. Deputy Campbell said he was assigned to Staff Sation 925 when he heard over the radio that a deputy was involved in a fight at Staff Station 725. As he ran to the location he was passed by Deputy Flores whom was being assisted by other deputies down the ramp. Campbell wrote he saw that Deputy Flores was bleeding from his face. When Deputy Campbell was near the top of the 700 Ramp, he saw Inmate Oliva fighting with three deputies. All three deputies were trying to force Inmate Oliva to the floor. When Campbell arrived to assist, the deputies had forced Inmate Oliva to the floor, onto his back. Oliva was swinging his arms and kicking his feet in an assault of deputy personnel. Believing Oliva was going to injure the deputies, he punched Inmate Oliva five to ten times in the face and chest, in rapid succession, while ordering Oliva to turn over onto his stomach and place his hands behind his back. Inmate Oliva did not comply and continued to resist and strike at deputies. Deputy Campbell reported that even though there were four or five deputies present trying to subdue Inmate Oliva and they appeared to be unable

Deputy [redacted] prepared a supplemental report documenting his use of less significant force and observations of the incident. Deputy [redacted] wrote he was working at Staff Station 715 when he heard the radio broadcast of a deputy involved in a fight at Staff Station 720. He ran to the location and saw Deputy Flores and Deputy [redacted] on the floor struggling with Inmate Oliva. Oliva was on the floor thrashing his arms and kicking his feet. He appeared to be trying to get to his feet and to attack the two deputies. Deputy [redacted] placed his right knee into Oliva's back and forced him down, using body weight, to the floor. [redacted] reported another deputy arrived and assisted him by grabbing onto Oliva's legs and using body weight to keep him on the floor.

Deputy [redacted] noticed the inmates assigned to Dorm 724 standing up against the bars, yelling, and cheering on Inmate Oliva. Deputy [redacted] ordered the inmates away from the bars and to return to their bunk beds. The inmates ignored his commands and he requested, via radio, the Emergency Response Team respond to his location to assist with a major inmate disturbance. The inmates were throwing fruit, trash, juice and water containers at the deputies trying to subdue Inmate Oliva. The deputies decided to move Inmate Oliva away from the front of the dorm and to an area on the 700 Corridor ramp, out of harm's way from the inmates assault. Deputy [redacted] said he removed his knee from the inmate's lower back and several deputies pulled Inmate Oliva out of the way toward the corridor. Deputy [redacted] remained near the 724 Dorm to assist in quelling the inmate disturbance. He reported his use of force to Sergeant Harris.

IAB Note: Deputy [redacted] prepared a supplemental report, under file # 004-00683-5640-058, regarding details of the incident, refer to Exhibit H.

Senior Deputy [redacted] wrote a supplemental report documenting his actions and observations. Deputy [redacted] wrote that he was assigned to the 700 Building as a Supervising Line deputy when he responded to a radio call of a deputy involved in a fight. When he arrived at the upper 700 Ramp, he saw that Sergeant Darren Harris and several deputies were standing over Inmate Oliva, who was handcuffed and seated on the ramp. Sergeant Harris directed Sr. Deputy [redacted] to escort Inmate Oliva to the lower portion of the ramp to be seen by facility nursing staff. Inmate Oliva started to stand up prior to being directed by [redacted] and [redacted] reported he placed his foot on Oliva's hip forcing him to remain seated. [redacted] bent over and assisted Oliva to his feet and started to escort him down the ramp. As they both walked, Inmate Oliva began to yell out, "Pomona 13", to the other inmates in the pod. When Oliva yelled blood from

his injuries was sprayed and Deputy [redacted] reported he placed his forearm against Oliva's neck to prevent him from turning his head in [redacted] direction and splatter him with Oliva's blood. Sr. Deputy [redacted] kept his forearm in the nape of Oliva's neck to the bottom of the ramp and into the 700 Building holding cell, where Oliva was examined by paramedic personnel. Sr. Deputy [redacted] returned to the 720 Pod to assist in quelling of the inmate disturbance. Sr. Deputy [redacted] wrote he reported the less significant use of force to Sergeant Darren Harris.

[redacted] said he heard a deputy yell to get out of the inmates way and he assisted other deputies in pulling Inmate Oliva away from Dorm 724 and into the 700 Ramp. Once inside of the 700 Ramp, the deputies were able to subdue Inmate Oliva and place him in handcuffs. Inmate Oliva was escorted down the 700 Corridor to await for medical staff.

WITNESSING PERSONNEL

LESLIE, Erik - Deputy Sheriff #[redacted]

Deputy Leslie said he responded to the 720 Staff Station from the 800 Building Sergeant's Office when he heard a radio broadcast of a deputy involved in a fight call occurring in the 720 Staff Station. When he arrived at the 720 Staff Station he saw four to six deputies struggling in an attempt to handcuff Inmate Oliva. He observed several deputies striking Inmate Oliva with their fists and flashlights. Inmate Oliva appeared to be striking back at the deputies and those deputies did not appear to have gained full control of Oliva's resistance. Deputy Leslie looked up and saw the inmates in Dorms 721, 722, 723, and 724 becoming very angry and unruly. He ordered the inmates to go back onto their bunk beds and many were yelling, cheering for Inmate Oliva and telling the deputies to come into their cells and try that with them. The inmates in Dorm 724 began to throw fruit, soups, hot water and other objects at the deputies trying to place Inmate Oliva in handcuffs. Deputy Leslie requested a "Pepper Ball L" be brought to his location to deploy against the riotous inmates.

The deputies attempting to handcuff Inmate Oliva decided to remove the inmate and themselves from the dangerous location and they pulled Inmate Oliva away from the front of Dorm 724 and into the 700 Building Ramp. He saw the deputies continue to try and place Oliva in handcuffs.

Deputy Leslie directed his attention toward the riotous inmates and watched as the inmates turned over their bunk beds as barriers and cover from ordinances. They began to cover their faces with towels and sheets in attempt to form makeshift gas masks protecting themselves from the gas ordinance they believed would be utilized by the responding deputies. Deputy Leslie remained until sufficient deputies arrived and he went to retrieve a Pepper Ball Launcher. He returned to Staff Station 720 and assisted in quelling the riot.

> **IAB Note: refer to Exhibit Q regarding additional information related to the Emergency Response Team deployment of specialized weapons and ordinance.**

> **IAB Note: Deputy Leslie prepared a supplemental report, under file # 004-00683-5640-058, regarding details of what he witnessed, refer to Exhibit K.**

JUSTIN, Walter, Deputy Sheriff, #[redacted]

Deputy Justin prepared a supplemental report documenting what he witnessed and video tape recording of Inmate Oliva's transportation to the N.C.C.F. Infirmary. Deputy Justin recorded Inmate making two spontaneous statements during his escort, via a gurney, to the infirmary. While passing between the 710 and 715 Staff Stations, Inmate Oliva yelled out, "uno sureno

23

trece" for the benefit of the inmates in the area to hear. The phrase translated identifies Oliva as a Southern California Hispanic gang member. Deputy Justin wrote that Oliva yelled it in a manner as if he was proud of his identity and he wanted the inmates around him to know that as well. Inmate Oliva made a second statement when he entered the NCCF Infirmary. When he passed the nurses station where Deputy Flores was being treated for his injuries, Oliva leaned forward on his stretcher looking at Deputy Flores' direction and asked, " did I fuck him up?', and, "what does he(Flores) look like", inquiring as to the extent of Deputy Flores' injuries.

IAB Note: Deputy Justin prepared a supplemental report, under file # 004-00683-5640-058, regarding details of what he witnessed, refer to Exhibit L.

IAB Note: The vide tape of Inmate Oliva being escorted to the N.C.C.F. Infirmary is available for review and will be maintained at I.A.B., refer to I.A.B. Audio/Video Tracking Sheet.
